PROJECTS

Hands On Orlando | *Project Manager* | *Web Redesign* / *UX/UI Designer* |
07/2022 - 08/2022

- Coordinated creative group in developing a redesigned website capable of providing necessary accessibility for users with disabilities.
- Fast tracked an update to website information architecture for better access to volunteering opportunities and local business collaboration.
- Made useful improvements to website UI for smoother user flow and mobile downsizing

Orlando Film Festival | *Co-Project Manager* | *RWD & Web Redesign* / *UX/UI Designer* |
06/2022 - 07/2022

- Co-Managed a successful RWD and redesigning for a local non-profit film festival website.
- Scheduled user interviews and usability tests for analyzing user flows and UI technicalities to help influence changes in categorization of information and website fluidity when viewing on mobile devices
- Completed and demonstrated final design changes through high fidelity Figma prototypes that showcased interactivity and style guide changes for better user accessibility.

Fcc.gov | *Lead UX/UI Designer* | *Government RWD* |
05/2022 - 06-2022

- Lead a personal design challenge to create an updated Responsive Website Design to the FCC Government site to enable a cleaner design for smooth user flows and an updated information hierarchy to make searching for Gov. bureaus and law policies easier
- Conducted user testing and A/B usability testing to gain user insight on mobile design and accessibility.
- Created low to high fidelity prototypes of RWD to present UI design and user feedback from iterated testing.
